Diversity, Equity, and Inclusion: from Awareness to Action
Session ID: 515829 - (Self-paced via LINC)

This is a self-paced course available through the LINC Learning Portal. The LINC Learning Portal link will be provided in the escWeb Registration Confirmation email when participants register. Once the course is completed, participants must forward a copy of the completion certificate to me at shelia@aalrc.org to have credit posted to their transcript in escWeb.

This course will help participants understand and define what is meant by diversity, equity, and inclusion (DEI) in the classroom and program. The course will guide participants in conducting an equity audit. Classroom equity audits can be conducted and followed through independently or in a group. After completing this course, participants will be able to identify steps individuals can take to advance their commitment to DEI progressively from both an individual and a programmatic perspective and identify steps for conducting an equity audit and work toward the sustainability of DEI efforts.
